Stubnitz Launch Party with
the Distortion All-Stars**

M/S STUBNITZ; LANGEBRO BRIDGE,
CPH CITY; 80KR; TEL 3025 5010

Notice the jazzy irony in the title? ('all-stars' is a jazz term) in this case: Ned Flanders, Kjeld Tolstrup, Schack, MHM-One, Universal Sound System & posse are the Copenhagen stars of the turntables, gathered for one of the biggest parties of the jazz festival: the launch of the Stubnitz boat. Only thing is that none of these people are associated to jazz in any way - and there are few things Distortion would deny stronger than to be hosting a jazz party. But the fact is that this Stubnitz Boat project is very linked to the Jazz festival. So haha: Distortion has gone jazzy. Just kidding. Jazz is music and music is party and party is Distortion.
